SCHOOL PHILOSOPHY STATEMENT

At Great Ryrie Primary School we strive to empower all students to achieve. By developing the whole child physically, socially, emotionally, and academically, we endeavour to enhance their natural talents and abilities. We get to know our students, build positive relationships with both students and parents and tailor the learning to individual needs of students. Our teaching and learning is focused on making our students literate and numerate but also to develop a curiosity to make sense of their world through real life inquiry learning. Great Ryrie Primary School is committed to implementing a culture of child safety, inclusive of all school environments, in and outside of school hours and practices zero tolerance of child abuse.
