School Philosophy Statement Policy

SCHOOL PHILOSOPHY STATEMENT

At Great Ryrie we strive to develop the whole child physically, socially, emotionally, academically and enhance their natural talents and abilities. We get to know our students, build positive relationships with both students and parents and tailor the learning to individual needs of students. Our teaching and learning is focused on making our students literate and numerate but also develop a curiosity to make sense of their world through real life inquiry learning. Great Ryrie Primary School is committed to implementing a culture of child safety, inclusive of all school environments, in and outside of school hours and practices zero tolerance of child abuse.

OUR VISION

At Great Ryrie we will provide a supportive and engaging learning environment that equips students to constructively contribute to an ever changing world.
