

A Respectful and Responsible Learning Community
2023 Contributions - Year 1

3rd November 2022

Dear Parents/Carers,

At Great Ryrie Primary School, we are proud to offer our students a comprehensive, well-resourced education program, which meets their individual needs and aspirations. We provide rich and diverse learning experiences which extend well beyond the standard curriculum. We are looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through making voluntary contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

As the Department of Education only provides the school with a limited amount of student-based funding for a basic standard of curriculum delivery, we have relied on parent contributions over the last few years to develop and maintain the high quality of education and resources. Therefore in 2023, we ask and encourage you to make a contribution to our school. Without your support and the subsequent lack of funds, we may have to reduce funding and cut several of our programs and resources. The ongoing support of our families ensures that our school can offer the best quality possible education and support for our students

In our quest to provide exceptional student learning opportunities, Great Ryrie Primary School Council has approved the school's parent contributions for 2023, consistent with associated school-level and Department of Education and Training policies. These policies may be viewed on our website - www.greatryrieps.vic.edu.au.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact Hollie Serollo, Business Manager Ph: 03 9870 6098 Email: hollie.serollo@education.vic.gov.au.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information. Our refund policy is available on the school website.
