

A Respectful and Responsible Learning Community  
***Yard Duty & Supervision Policy (Primary School)***

**PURPOSE**

To ensure school staff understand their supervision and yard duty responsibilities.

**SCOPE**

The principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps. This policy applies to all teaching and non-teaching staff at Great Ryrie Primary School, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

**POLICY**

**Before and after school**

Great Ryrie Primary School grounds are supervised by school staff from 8:45am until 3:45pm. Outside of these hours, school staff will not be available to supervise students.

Before school, staff will be available to assist drop off in the horseshoe area of the staff Car Park outside the Brian Alan Hall. Parents must remain in their car. Supervision will also be provided in the quadrangle and playground.

After school, staff will be supervise students leaving via the front office, staff and parent car park and the quadrangle and playground.

Parents and carers should not allow their children to attend Great Ryrie Primary School outside of these hours. Families are encouraged to contact Team Kids at <https://teamkids.com.au/venues/great-ryrie-primary-oshc/> for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available)
- contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student.

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

**Yard duty**

All staff at Great Ryrie Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

## Great Ryrie Primary School *Yard Duty & Supervision Policy (Primary School)*

The Yard Duty Coordinator is responsible for preparing and communicating the yard duty roster on a regular basis. At Great Ryrie Primary School, school staff will be designated a specific yard duty area to supervise.

**The designated yard duty areas for our school at recess and lunch breaks are:**

<b>Zone</b>	<b>Area</b>
1	Quadrangle and Sandpit
2	Playground and Back Grass Area
3	Canteen and Basketball Courts
4	Oval, Performing Arts Deck and Uniform Shop Area

School staff must wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored by the Yard Duty Coordinator.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving teacher.

During yard duty, supervising staff must:

- methodically move around the designated zone to ensure that all areas are within line of sight to at least one yard duty teacher at a time.
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules and school values, in accordance with any relevant disciplinary measures set out in Great Ryrie Primary School's *Student Engagement and Wellbeing* policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate and refer them to responsible teacher
- if being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should make alternative arrangements with another staff member to cover their duty if possible or contact the Yard Duty Coordinator or school office with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the office but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a replacement staff member has arrived.

## Great Ryrie Primary School *Yard Duty & Supervision Policy (Primary School)*

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

### **Classroom**

The classroom teacher is responsible for the supervision of all students in their care during class. If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the adjoining classroom teacher, front office or Year Level Coordinator for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

### **School activities, camps and excursions**

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activities. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.
